Numbers have increased significantly. Sarah Mastwyk the new OSHC Manager has made a great start. We have had a few teething issues with the new centre, we still have the gym available to use, some changes have been made to the way we operate which has helped immensely. Darryl has a meeting with Scouts this week to iron out some of the issues.

CANTEEN:

We have purchased some new equipment and are currently getting air conditioners installed.

Junior school canteen currently has power issues which need to be resolved.

We want to see volunteers and Year 9 students working in the canteens.
