

Scouting is everywhere!

There are 42 million Scouts in the world today. In Victoria, there are Scout Groups in more than 400 local communities. Some have all five Sections - Joey, Cub, Scouts, Venturers and Rovers. Some offer only parts of the program. Check out your local Scout Group!

Scouting is adventure!

... and new skills and great friends and heaps of fun for ages 6-25. It's an adventure program that encourages life skills such as leadership, resilience, confidence, and working well with others.

As you move from Joey Scouts to Cub Scouts and beyond, you take over your own program. Young people lead, and adults support.

Scouting is for everyone!

... boys and girls, young men and women - and parents. Scouting is an activity the whole family can enjoy together. All are welcome.

More than 800,000 young Victorians have grown up in Scouts - and gone on to contribute as adults to the wider community.
