

**Rationale:**

Students at our College are periodically selected to represent the College in National or International events. College Council seeks to recognise and support such outstanding achievement.

**Aims:**

To recognise and support outstanding achievements by students by means of College Council sponsorship.

**Implementation:**

- 1.1. Students who represent our College at **National or International** events in any discipline (sport, arts, leadership, etc) are ambassadors of our College and reflect positively on our reputation.
- 1.2. Consequently, College Council seeks to recognise and support these students in their endeavours.
- 1.3. Parents of all students who represent our College at a National level will be offered a scholarship of \$100 to assist with travel or accommodation expenses etc.
- 1.4. Parents of all students who represent our College at an International level will be offered a scholarship of \$400 to assist with travel or accommodation expenses etc.
- 1.5. Parents can accept or decline the offer at their discretion.
- 1.6. The financial assistance is not conditional upon performance, but it is expected that all students who represent the College at any event will conduct themselves appropriately at all times.
- 1.7. College owned representative blazers and sports uniforms will be made available for loan by individual students as appropriate.
- 1.8. The College may allocate an appropriate staff member to attend the function with the student if it is appropriate to do so.
- 1.9. Students and Parents should be aware that student participation and achievement require participation in assemblies or publicity through the College newsletter, website or other media.
