

Happy holidays families

It has been a big year and we have finally made it through. Thanks for all your support and care that you have shared with all the teachers and team here at HGC. It means a lot to have your support.

Next year we have an amazing year planned. Camps, excursions and sleep overs a plenty. Mixed in with some learning for good measure. We want the students to be engaged in school again and to love the place like we know they want to.

We are focussing on getting everything back to normal in Semester 1. The students have done an amazing job in the last few weeks and we want to build on it. We will concentrate on their wellbeing and setting up their best conditions for every student to learn in their individual way.

We have a few new staff joining us in 2022 and we welcome them to our family. It was a very competitive process to find the right people for the right positions and we feel like we have built a great team. Unfortunately we have had a last minute departure, but we are working hard to find the right person for that grade before the holidays. Once we have that person secured, we will let the families know

Speaking of the holidays they are coming up very quickly. I hope each and every one of you have a restful and relaxing break over the festive period. You have all deserved it. The team here at HGC still have a bit of work to do before we go on break. Over the last three days of the year we are planning and setting up for 2022. We want to make sure everything is ready for next year before we put 2021 to bed.

Have a safe break. Look after each other and we will see you back at school on Tuesday first of February.

Happy holidays

Hello Junior School. It's Mrs Nemer.

Who is excited for the holidays?

I know I am. It feels like it's been a very long year. In saying that, it has been wonderful to see the Junior School come alive again with activity. This term we have had students engage in their 100 days of school celebration, a toy incursion, a Year 1 disco, Latitude excursion, Inflatable World excursion, Award presentations, Meet the Teacher Orientation day for 2022, a Year 2 Fun Day and JS Carols. Plus all the other day to day activities and learning experiences we share. Tomorrow is our last day with students and our Year 4 students are going to the Swimming carnival.

Whilst I am looking forward to the break and spending quality time with my family, I am excited for the 2022 school year and continuing to learn and grow with our students.

Wishing you a Merry Christmas and a happy and safe New Year.
