

21 November 2022

Dear parents and guardians,

Hazel Glen College is looking forward to another great year of teaching and learning and would like to advise you of Hazel Glen College's voluntary financial contributions for 2023.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that is through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to provide an enriched learning and teaching program for every student and is highly valued by our community. The commitment from parents to contribute benefits students and results in improved achievement outcomes, wellbeing, and engagement in learning. At Hazel Glen College, we design and develop learning and teaching programs drawing on the best educational knowledge and practices and strive to offer broad and enriched opportunities to students that are above and beyond what is required in the standard curriculum and what is provided by the Government funding. Our School Council is proud of the excellent quality of our facilities and resources available for our students to enjoy and few schools match the numerous programs we offer to cater for students' needs and interests.

For detailed information of the 2023 Parent Payment Policy, please refer to our website: [Curriculum Contributions – Hazel Glen College \(hgc.vic.edu.au\)](https://www.hgc.vic.edu.au/curriculum-contributions)
