Hazel Glen College enjoys outstanding physical resources, modern facilities and up to date teaching and learning which provides excellent opportunities for all students. The College has a strong focus on providing extra-curricular opportunities that occur both in and outside of the school boundaries. As the students grow into the senior years, opportunities both interstate and international are presented supporting their development in becoming a true global citizen.

## 2. School values, philosophy and vision

Hazel Glen College's Statement of Values and School Philosophy is integral to the work that we do and is the foundation of our school community. Students, staff and members of our school community are encouraged to live and demonstrate our core values of respect, integrity and kindness at every opportunity.

Our school's vision is to empower students to reach their personal best, and fully equip them to contribute positively to society as happy, healthy young adults. The College values of Resilience, Responsibility, Relationships and Respect are constantly revisited and workshopped through our Personal Enrichment programs across the College so that they are values that we work and play by.
