PURPOSE

To explain Hazel Glen College's policy in relation to personal property, medical and other insurance and to ensure that special or valuable items of personal property are not brought to school or on school excursions.

SCOPE

This policy applies to all school activities, including camps and excursions.

POLICY

The Department of Education (which includes Hazel Glen College) does not have insurance for accidental injuries or accidental property damage/loss. However, in some circumstances, medical or other expenses may be paid by the Department where it is assessed that it is likely, in all the circumstances, that the injury or property damage/loss was sustained as a result of the Department failing to meet their duty of care. For more information about the Department's public liability claims process, please see [Legal claims, subpoenas, summonses and other legal documents](#).

Hazel Glen College encourages parents and carers to consider obtaining their own accident insurance for students and property of value that may be brought to school or on a school excursion.

Personal property

Hazel Glen College understands that staff and/or students may sometimes like to bring items of personal property to school or on school excursions.

The Department of Education does not have insurance for personal property of staff, students and visitors. Hazel Glen College does not take responsibility for items of personal property (including electronics such as iPads, laptops, mobile phones etc) that are lost, stolen or damaged at school or

during school activities. Damage to personal property brought to school or on school excursions is the responsibility of the owner of that property.

Hazel Glen College encourages staff and students not to bring items of value to school or on school excursions, or to obtain appropriate insurance for such items.

Student medical expenses

- In a medical emergency Hazel Glen staff will prioritise care of the unwell child. To ensure timely care an ambulance may be called prior to notification of parents/carers. Hazel Glen staff will make contact with parents/carers as soon as is practicable.
- In the event that a student is injured at school or while participating in a school activity (including offsite) and requires medical treatment, parents/carers are responsible for all of their child's medical expenses. This includes transport costs such as ambulance costs (which may include an air ambulance if considered necessary)
- Hazel Glen College encourages parents and carers to consider obtaining ambulance cover (see [Membership - Ambulance Victoria](#)) and/or appropriate medical insurance.

COMMUNICATION

This policy will be communicated to our school community in the following ways:
